SAR (SPECIFIC ABSORPTION RATE) INFORMATION

The highest SAR value for this mobile phone is <1.6 W/Kg, in accordance with the requirements of the ICNIRP, which recommended that the limit for exposure to radio waves is 1.6 watts/kilogram(W/kg) averaged over 1 gram of tissue. For more information, please visit our website (<https://motorola-mobility-en-in.custhelp.com/>) to query.

SAFETY PRECAUTION:

• Use a wireless hands-free system (Headphone, headset) with a low power Bluetooth emitter

- Make sure the cell phone has a low SAR
- Keep your calls short or send a text message (SMS) instead. This advice applies especially to children, adolescents and pregnant women
- Use cell phone when the signal quality is good
- People having active medical implants should preferably keep the cell phone at least 15cm away from the implant

E-waste Disposal Mechanism

'E-waste' means waste electrical and electronic equipment (WEEE). In other words, E- waste is a popular, informal name for electronic products nearing the end of their "useful life". For more details about e-waste please refer e-waste rules, 2011 at www.moef.nic.in

Do's and Don'ts for disposal e-waste

Do's:

- Ensure that an Authorized Person repairs your Motorola feature phone
- Call Our Local Authorized Service Centers to Dispose Motorola feature phone
- Always drop your used electronic products, batteries or any accessories thereof after the end of their life at nearest Authorized Service Center or Collection Points
- Separate the packaging material according to responsible waste disposal options and sorting for recycling
- Always remove the battery from the product, when you do not intend to use the product anymore it in future

Don'ts:

- Do not Dismantle your Motorola feature phone on your own
- Do not give your e-waste to Kabbadi Wala / Scrap Dealer/ Rag Pickers

- Do not dispose-off the e-waste in landfills
- Never dump E-waste in garbage bins
- Do not dispose of your product at municipal waste bins or rooms
- Do not throw used batteries into household waste

Consequences of improper handling and disposal of E-Waste

- Improper disposal of waste prevents natural resources from being re-used
- Some waste contains hazardous chemicals and if not disposed of properly may release toxins into the soil and water, and also releases greenhouse gases into the environment
- If e-waste is not properly disposed of, it can be a threat to the health and well-being of humans and animals and can also have adverse effect on the environment
- Placing of batteries or devices on or in heating devices, such as microwave, ovens, stoves, or radiators and improper disposal of batteries may lead to explosion
- If the battery terminals are in contact with metal objects, it may cause a fire

WARRANTY CERTIFICATE

Limited warranty:

LAVA international Ltd. provides limited warranty for your mobile phone.

The warranty period for the transceiver is two (2) year and six (6) months for battery & charger from the date of purchase.

Warranty

Subject to the conditions of this Limited Warranty, LAVA warrants a product to be free from defects in design, material and workmanship at the time of its original purchase by you, and for a subsequent period of two (2) year for the transceiver and six (6) months for battery & charger.

You shall have no coverage or benefits under this warranty in the event that any of the following conditions are applicable:

- The product has been subjected to abnormal use or conditions, improper storage, exposure to 1. excessive moisture or dampness, exposure to excessive temperature, unauthorized modification, unauthorized repair

- (including but not limited to use of unauthorized spare parts in repairs), abuse, accidents, Acts of God, spills of food or liquids, improper installation
- You have not notified Motorola (Motorola Feature phone service center) of the defect in the product during the applicable warranty period
 - The product serial no. code or the accessories date code has been removed, defaced or altered
 - The product has been used with or connected to an accessory (i) Not supplied by Motorola or its affiliates, (ii) Not fit for use with the product or (iii) Used otherwise than in manner intended
 - The seals of the product's battery enclosure have been broken or shown evidence of tempering or the product's battery has been used in equipment other than that for which it has been specified usable by Motorola
 - All plastic surfaces and all other externally exposed parts that are scratched or damaged due to normal use

To get maximum of your new product, we recommend you to:

- Read the guidelines for safe and efficient use as mentioned in the manual
- Read the terms and conditions of your Motorola Feature Phone warranty in the manual
- Keep your original receipt; you will need it for warranty services if asked to produce
- Present this Motorola Feature Phone Warranty Certificate along with original proof of purchase whenever you require any warranty services

In case Motorola feature phone needs service, please visit the nearest Motorola feature phone service centers given in the service guide. Please visit our website <https://motorola-mobility-en-in.custhelp.com/> for updated list of Authorized Service Centers near to your location.

Important note: for your warranty to be valid, all information on the warranty certificate has to be completed including the stamp from the authorized distributor/retailer.

All warranty information, product features and specifications are subject to change without notice.
